<header>Introduction To my University</header>

<p> Kiet stands for Karachi Institute of Economics and Technology. A university in collaboration with<br/>
Pakistan Air Force. It comprises of three campuses with Korangi Creek being the main campus, the other<br/>
two campuses are Sharah-e-Faisal city campus and North Nazimabad city campus.</p>

<p> Kiet is HEC recognised Institute offering various programs and has 5 academic departments. The faculty,<br/>
technology and the environment in Kiet is amazing, the labs are spacious. The university is huge and<br/>
modernly designed. Everything taught here is uploaded to LMS, which is helpful incase you missed a topic,<br/>
attendance is updated online therefore its easy to keep it in check.</p>

<p> Lastly, the cafeteria is amazing, and we got a tuc shop as well. The thing that I appreciate the most<br/>
is that we got a book shop or a stationary shop here, and we can get print outs here as well,<br/>
then there's a HBL ATM and a mosque. And I recently discovered that there a girls common room here as well<br/>
which is not so far from our labs.</p>

# Introduction To my University

Kiet stands for Karachi Institute of Economics and Technology. A university in collaboration with Pakistan Air Force. It comprises of three campuses with Korangi Creek being the main campus, the other two campuses are Sharah-e-Faisal city campus and North Nazimabad city campus.

Kiet is HEC recognised Institute offering various programs and has 5 academic departments. The faculty, technology and the environment in Kiet is amazing, the labs are spacious. The university is huge and modernly designed. Everything taught here is uploaded to LMS, which is helpful in case you missed a topic, attendance is updated online therefore it's easy to keep it in check.

Lastly, the cafeteria is amazing, and we got a tuc shop as well. The thing that I appreciate the most is that we got a book shop or a stationary shop here, and we can get print outs here as well, then there's a HBL ATM and a mosque. And I recently discovered that there's a girls common room here as well which is not so far from our labs.
